

iPad Plan Terms and Conditions

Prepaid

- The Prepaid iPad starter pack will offer one (1) Maxis Sim card only.
- Customer shall ensure that the physical Maxis MicroSim card is used with iPad devices only and Maxis shall not be responsible and/or liable for any failure of the iPad device to function, operate or for any damage to any iPad device due to any misuse of the MicroSim card.
- Customer will need to make a 1st call using a compatible mobile phone to activate the service.
- For the customer's actual pass status, the customer is to visit www.hotlink.com.my/web/portal/broadband to verify the customer's quota balance and pass expiry date and time.
- Customer can only purchase a new pass once the customer's quota balance finishes or the pass duration has expired – whichever comes first.
- When the customer reaches his or her subscribed package volume quota, the Customer's broadband connection will be reduced to a lower speed when the customer's pass expires. Should you wish to continue to enjoy regular speeds, please purchase a new package or pass via www.hotlink.com.my/web/portal/broadband.
- The Prepaid iPad plan applies to local data usage only. Local/International Voice/SMS services and international data roaming are excluded from this plan.
- Maxis shall not be responsible and/or liable for any interruption or disruption experienced and/or suffered by the customer in relation to the iPad device and/or the customer's use of the iPad device.
- Customer can purchase only one Maxis Wifi Modem as an option after purchasing the Prepaid iPad Starter Pack.

- The Maxis Wifi Modem comes with a 1 year warranty. Please visit your nearest Maxis Centre should you have any issues with the modem.
- Maxis Broadband Terms & Conditions for the provision of the services on the existing package, as published in website: www.maxis.com.my/broadband and www.hotlink.com.my/broadband and which is attached herewith, shall also apply to this iPad Plans. Customers of the prepaid iPad Plans shall be bound to the Maxis Broadband Terms and Conditions.
