

FAQ for iPhone 4 Registration of Interest

1) When will Maxis be launching the iPhone 4 and how much will it cost?

Maxis will be launching the iPhone 4 within the coming months and price announcements will be made nearer to the launch date. However, you may register an interest for the iPhone 4 with us. We will then keep you informed with the latest updates on the iPhone 4.

2) What are the features available in iPhone 4?

iPhone 4 is the world's thinnest smartphone with the following exciting new features: -

- Face Time video calling
- Retina Display
- Multitasking
- HD Video Recording and Editing
- 5-Megapixel Camera with LED Flash
- And all the latest features available on iOS4.0

For more information, visit: <http://www.apple.com/iphone>

3) Do I need to register an interest before I can purchase the iPhone 4?

No. By registering your interest, you will only be kept informed on the latest iPhone 4 updates in Malaysia. It does not constitute a booking and it not necessary in order to purchase.

4) Is it a must for me to purchase the iPhone 4 after I have registered my interest?

No, there is no commitment to purchase the iPhone 4 after registering your interest.

5) Will there be a pre-booking for the iPhone 4? When will Maxis inform me of the pre-booking and is a deposit required?

For the moment, there will not be any pre-booking for the iPhone 4. However, by registering your interest, you will be updated if there are any changes.

6) I know the iPhone 4 uses a Micro SIM. Do I need to change my current SIM Card to a Micro SIM now? If not, when do I need to change?

You'll need a Micro SIM for the new iPhone 4. You may change your current SIM to a Micro SIM later when you have signed up for the iPhone 4 with Maxis.
